### Important

This insurance is designed to indemnify the "Insured" named above against claims made by third parties as defined in the policy document. It is a condition of the policy that any commercial subcontractors, companies or businesses must have their own insurance with the same limit of indemnity. You must ask subcontractors to provide you with a copy of their insurance.

The certificate forms part of the policy arranged for the FocusOn Matrix and organisations including Charitable and Social Committees and Associations.

For further information please contact Melanie Rowland at the address below or telephone 01367 246131.
