

SOUTH EAST
OPEN STUDIOS

3-19 JUNE

Up to 30,000 free copies of the SEOS Guide will be distributed throughout Kent, East Sussex and the Surrey borders. It is a beautifully produced A5 full colour booklet forming a comprehensive directory of artists and makers in the region.

From mid May it is available from many targeted outlets including libraries, tourist information centres, colleges, art shops and galleries. It is sought after and collected by art and craft buyers, visitors and artists. Many copies are kept for reference long after the SEOS event in June. It is also available in PDF format on our website.
